

Jester East Residence Hall Council Floor Representative Transition Document

I'm very excited that you'll be joining the Jester East Residence Hall Council this academic year! It is a great way to get involved on campus and be part of a team that strives to build a welcoming community.

As a Floor Representative, you must be present for weekly council meetings. It's understandable if you are busy, but you are required to attend a meeting at least every other week. These meetings are extremely important as they offer a space for you to bring your own ideas on how you can help promote engagement in the community and to stay in the loop of everything happening in Jester East Residence Hall Council. It's also the time when you'd bring floor-specific concerns or vote on certain policies. As a floor representative, you are able to help out with events happening in Jester East. It's all dependent on how you choose to stay involved.

I'd say that a key and integral part of being in the Jester East Residence Hall Council is to be present always, especially for your fellow council members. Be willing to help out and attend events they put on, as so much effort and thought is put into making them happen. Whilst helping with these events, you gain a lot of time management skills, interpersonal skills, and adaptability skills. It's especially gratifying to see residents enjoy these events and continuously attend them, leaving with a smile on their faces every single time. This is a very meaningful position, and it is truly what you make of it.
