Congratulations on becoming a floor rep! It is one of the most rewarding things you can do in your time in the residence halls! A tip for having an amazing and successful year is to find out where you fit in the council, whether that's joining a committee or working on events you didn't plan. Something else to remember: you are a resident too! When you plan an event or attend meetings, think about what you would like to see improved or added in the halls, because most likely, others feel the same. If your year is anything like mine, it will result in change that lasts beyond your time in the halls. Good luck and have fun!
