

Jester East Residence Hall Council

Director of Finance

Congratulations on being elected as the Director of Finance! Below, your duties and expectations are listed in conjunction with the duties listed in the Constitution. Good luck!

Create Funding Request Forms (FRF)

- **When an item is on sale, write down its original price not the marked down price**
- **Make sure FRFs are submitted at least 10 days in advance of event**

Program or co-program at least one event

- **I recommend programming more than one event! It seems complicated but it isn't too bad**

Attend weekly meetings

- **Vote on important issues**
- **If you have an initiative or committee you want to start, this is the place to bring it up! (does not have to be related to finance)**

Other expectations

- **Help out wherever you can if you have time**
- **Communicate with UHD and Jester West Treasurer when necessary (using joint funds)**
