

Dear Mister/Madam President,

I want to begin by congratulating you on your new position! Without meeting you, I am sure that you are a hardworking and passionate person for wanting to be a part of the Jester East Residence Hall Council, let alone the president! The purpose of this message is to give you a bit of advice as you navigate this new role.

A little bit about me – I have been a member of the JEast RHC for two years now, starting off as the secretary and then moving up to president. That being said, I have had my fair share of event planning, organizing, and delegating. If you want to know the exact role of the President, I suggest you take a look at the RHC Constitution for a concise description, because I'll only be sharing some words of wisdom.

Ultimately, just remember why you wanted to be in this position and fulfill your role to the best of your abilities. Although it is nice to have the housing credit incentive, continue to apply your creativity, passion, and leadership throughout your role. Also, hold yourself and your council accountable – everyone agreed to be an active member within this organization, so maintain your standards and hold everyone to their responsibilities. Don't be afraid to speak your opinion and delegate where you deem fit – your opinion matters and sometimes you need to make decisions on behalf of the council. Ultimately, just communicate well and have a good time! Don't forget that you're a student first and you must make sure that you're well before helping others – give grace when possible. I hope you enjoy your time as president, good luck!

Best regards,

2025–2026 Jester East RHC President
